

Halton-Hamilton Source Protection Committee

Dr. Dave Rodgers

Municipal

Dave represents the Township of Puslinch and County of Wellington on the Halton-Hamilton Source Protection Committee. He has lived in the Township for more than thirty years, and has also represented the Township on the Hamilton Conservation Authority.

After completing his studies at the University of Guelph, Dave worked as an environmental scientist for more than 25 years with Ontario Hydro Research Division and its successor Kinectrics, and continues to work as an independent environmental consultant through his firm, Aberfoyle AquaScience. He is an accredited assessor with both the Standards Council of Canada and the Canadian Association for Laboratory Accreditation and is a Director of the Friends of Mill Creek, a volunteer, community-based organization dedicated to maintaining and enhancing the watershed of Mill Creek - a cold-water stream which flows through Puslinch Township, where he also occasionally fishes.
