

## **Halton-Hamilton Source Protection Committee**

### **Bob Edmondson**

#### **Chairman**

Bob is the Chair of the Halton-Hamilton Source Protection Committee. He was the former Director of Watershed Management Services for the Halton Region Conservation Authority (Conservation Halton). During his 38 years of experience with Conservation Halton, he oversaw all aspects of watershed management including engineering, ecology, environmental planning and land resource services. Bob was responsible for planning for the Drinking Water Source Protection Program since its inception on behalf of Conservation Halton. He coordinated the appointment of the Chair and members for the Source Protection Committee and as staff liaison to the Committee provided input to the Terms of Reference, Assessment Reports and Source Protection Plan and coordinated reports to the Source Protection Authority and Province to meet the obligations of the *Clean Water Act*. Bob obtained his Honours Bachelor of Science degree from the University of Toronto. He is a resident of the City of Burlington.
