

Halton-Hamilton Source Protection Committee (SPC) Meeting December 5, 2023

Agenda Item #6: Business Arising/Action Items follow up from March 9, 2023 SPC Meeting

No.	Action Item from previous SPC meeting	Follow up by Halton-Hamilton Source Protection Region
1.	HHSPR staff will provide materials to Dr. Taylor (Agrichemical Warehousing Standards Association) that are customized to the HHSPR. For the 3 specific sites in the HHSPR, plain language messaging can be developed.	<p>Complete. Martin Keller and Mardi Bergen provided Dr. Taylor with the draft Source Protection Information sheet for review. Dr. Taylor provided feedback on the two-page Source Protection Primer, developed in collaboration with Conservation Ontario and intended for distribution to Agrichemical Warehouse owner/operators and AWSA auditors. Staff will now finalize the Primer and work with AWSA on circulation.</p> <p>More details are included in report SPC-23-12-05 Source Protection Program Updates.</p>

Agenda Item #6: Business Arising/Action Items follow up from September 26, 2023 SPC Meeting

No.	Action Item from previous SPC meeting	Follow up by Halton-Hamilton Source Protection Region
2.	At the June 13 SPC meeting, CO informed the HHSPC of a fire response package that was in development. Staff was to follow up with CO (Leslie Rich) for an update.	<p>Complete. Conservation Ontario provided staff with a Power Point presentation developed by South Georgian Bay Lake Simcoe Region as part of E&O with Central York Fire Services. The material was discussed with the SPC Chair. An opportunity exists to develop similar material and engage with local fire departments in the Halton-Hamilton Source Protection Region.</p>
